MEMORANDUM FOR: [REDACTED]

X

ILLEGIB

SUBJECT: TSD/R&D Seminar

1. On behalf of TSD/R&D I would like to thank you for your participation in the FY '64 Program Seminar held at [REDACTED] on 4 and 5 June. Your comments, along with those of your colleagues from the other Area Divisions, have helped us to evaluate the pertinence of our R&D program.

2. The suggestion that there should be more frequent (quarterly) meetings between TSD and senior Area Division representatives to discuss problems of mutual interest is being pursued here in TSD and should result in a series of informal meetings beginning in late summer or early fall.

3. The attached memorandum for the record briefly outlines the conclusions we in TSD/R&D have drawn regarding your review of our FY '64 program. If you feel that there are any other items which warrant inclusion in such a summary, please send me a short note to that effect. We are now engaged in reviewing our FY '64 budget allocations for the various R&D programs and the Seminar is providing very useful background material.

4. Once more I would like to thank you for your time and efforts in making the TSD/R&D Seminar a success.
